

Employee Onboarding

great hires from day one

Effective onboarding requires that every individual involved in the onboarding process from new employees, hiring managers and HR executives across the organization have the right information and tools to be effective.

Smart onboarding tools engage employees by providing job information, allow teams to view tasks and speed up productivity with learning resources. New employees learn their jobs faster and become engaged sooner.

New Hire Portals

Provide employees with required information on company branded pages and a positive WOW experience. Welcome messages, videos & training resources to help them understand company culture and integrate into teams.

New Hire Paperwork

New hire forms include job offers, tax forms, form I-9, direct deposit, employee policies, handbooks, benefit forms. They are available in newhire packets allowing seamless information to flow across to Payroll and HCM.

Track Tasks & Activity

Manage all internal and external tasks associated with a new employee onboarding process. Automate tasks to key departments, users and managers with email notifications & alerts.

Training and Orientation

Easily schedule training, new hire orientation, assign courses and instructors or provide links into your LMS. New hires can view training programs, videos and content relevant to their job.

Ensure Complete Compliance

Ensure legal compliance by completing all required forms for government reporting and audits.

Mobile Friendly & Easy to Use

New hires can complete all onboarding forms, view information in portals using phones, tablets and desktops on a user-friendly platform.

Smart onboarding improves employee engagement, increases productivity & ensures legal compliance

Manage Onboarding Experience

Provide a warm onboarding experience with tailored content, assign mentors, get team info by location, department and job profiles to welcome the new hire.

Keep Track and Monitor Onboarding Tasks

The new hire and managers can view & track tasks completion, monitor open and pending tasks and take required action.

Employee Surveys & Performance

Track and measure employee job satisfaction with employee surveys, analyse performance and set new hire goals for extended reporting and company health.

Visual Dashboards

View your reports on a visual dashboard and get an overview of the onboarding.

Forms Management

Easily manage all required new hire forms for multiple countries. Information flows for employees to use without redundant keying ensures accuracy.
