Build Winning Teams With Our ATS Platform "HireOnboard"

240.252-4007 sales@emptrust.com

EMP Trust Solutions provides Human Capital Management (HCM) and Talent Management solutions and services for a global workforce.

Our core HR solutions allow companies to design a branded onboarding experience for new hires with a configurable corporate portal that includes e-forms, task management, and HR Central supporting customers located in **54 countries and 17 languages.**

EMP Trust's ATS utilizes AI and analytics for strategic talent management, promoting diversity and inclusion. Enjoy branded career sites, multi-posting, AI-driven candidate selection, and comprehensive reporting.

Our platform provides all State and Federal employment forms, handbooks, and requirements with seamless integration of I-9 and E-Verify processes, ensuring compliance and efficiency for company operations.

Features of our ATS Platform- HireOnboard:

1. Branded Career sites:

At HireOnboard, we create captivating website designs that not only showcase your company brand but also attract top talent.

2. CRM

HireOnboard's CRM feature transforms talent acquisition by offering a centralized, intuitive platform that streamlines candidate management, fosters personalized engagement, and builds robust talent pipelines for future hiring success.

3. Job Description Templates:

Our templates are user-friendly and highly customizable, enabling you to craft precise and engaging job descriptions in just a matter of minutes.

4. Multi-posting:

Expand your reach by posting job openings across multiple job boards with one click. Access thousands of free and premium options through Job Target for maximum visibility.

Trusted Partner for Global Companies

1000+ Customers	**54+** Countries	**17** Languages
10K+ Users	**28.8Million** Documents	**140+** HCM Integrations

5. Requisition Approval:

HireOnboard's user-friendly and customizable requisition approval featur makes automating and streamlining the approval process effortless.

6. AI-Powered Candidate Selection:

Our AI algorithms evaluate job descriptions and applicant profiles to find the best candidates for your positions.

7. Candidate Screening:

HireOnboard's candidate screening feature lets companies verify backgrounds by outsourcing sensitive data procurement to background check providers.

8. Communication Hub:

Centralize all hiring conversations to eliminate scattered emails and ensure clear, transparent communication throughout the process.

9. Offer Management:

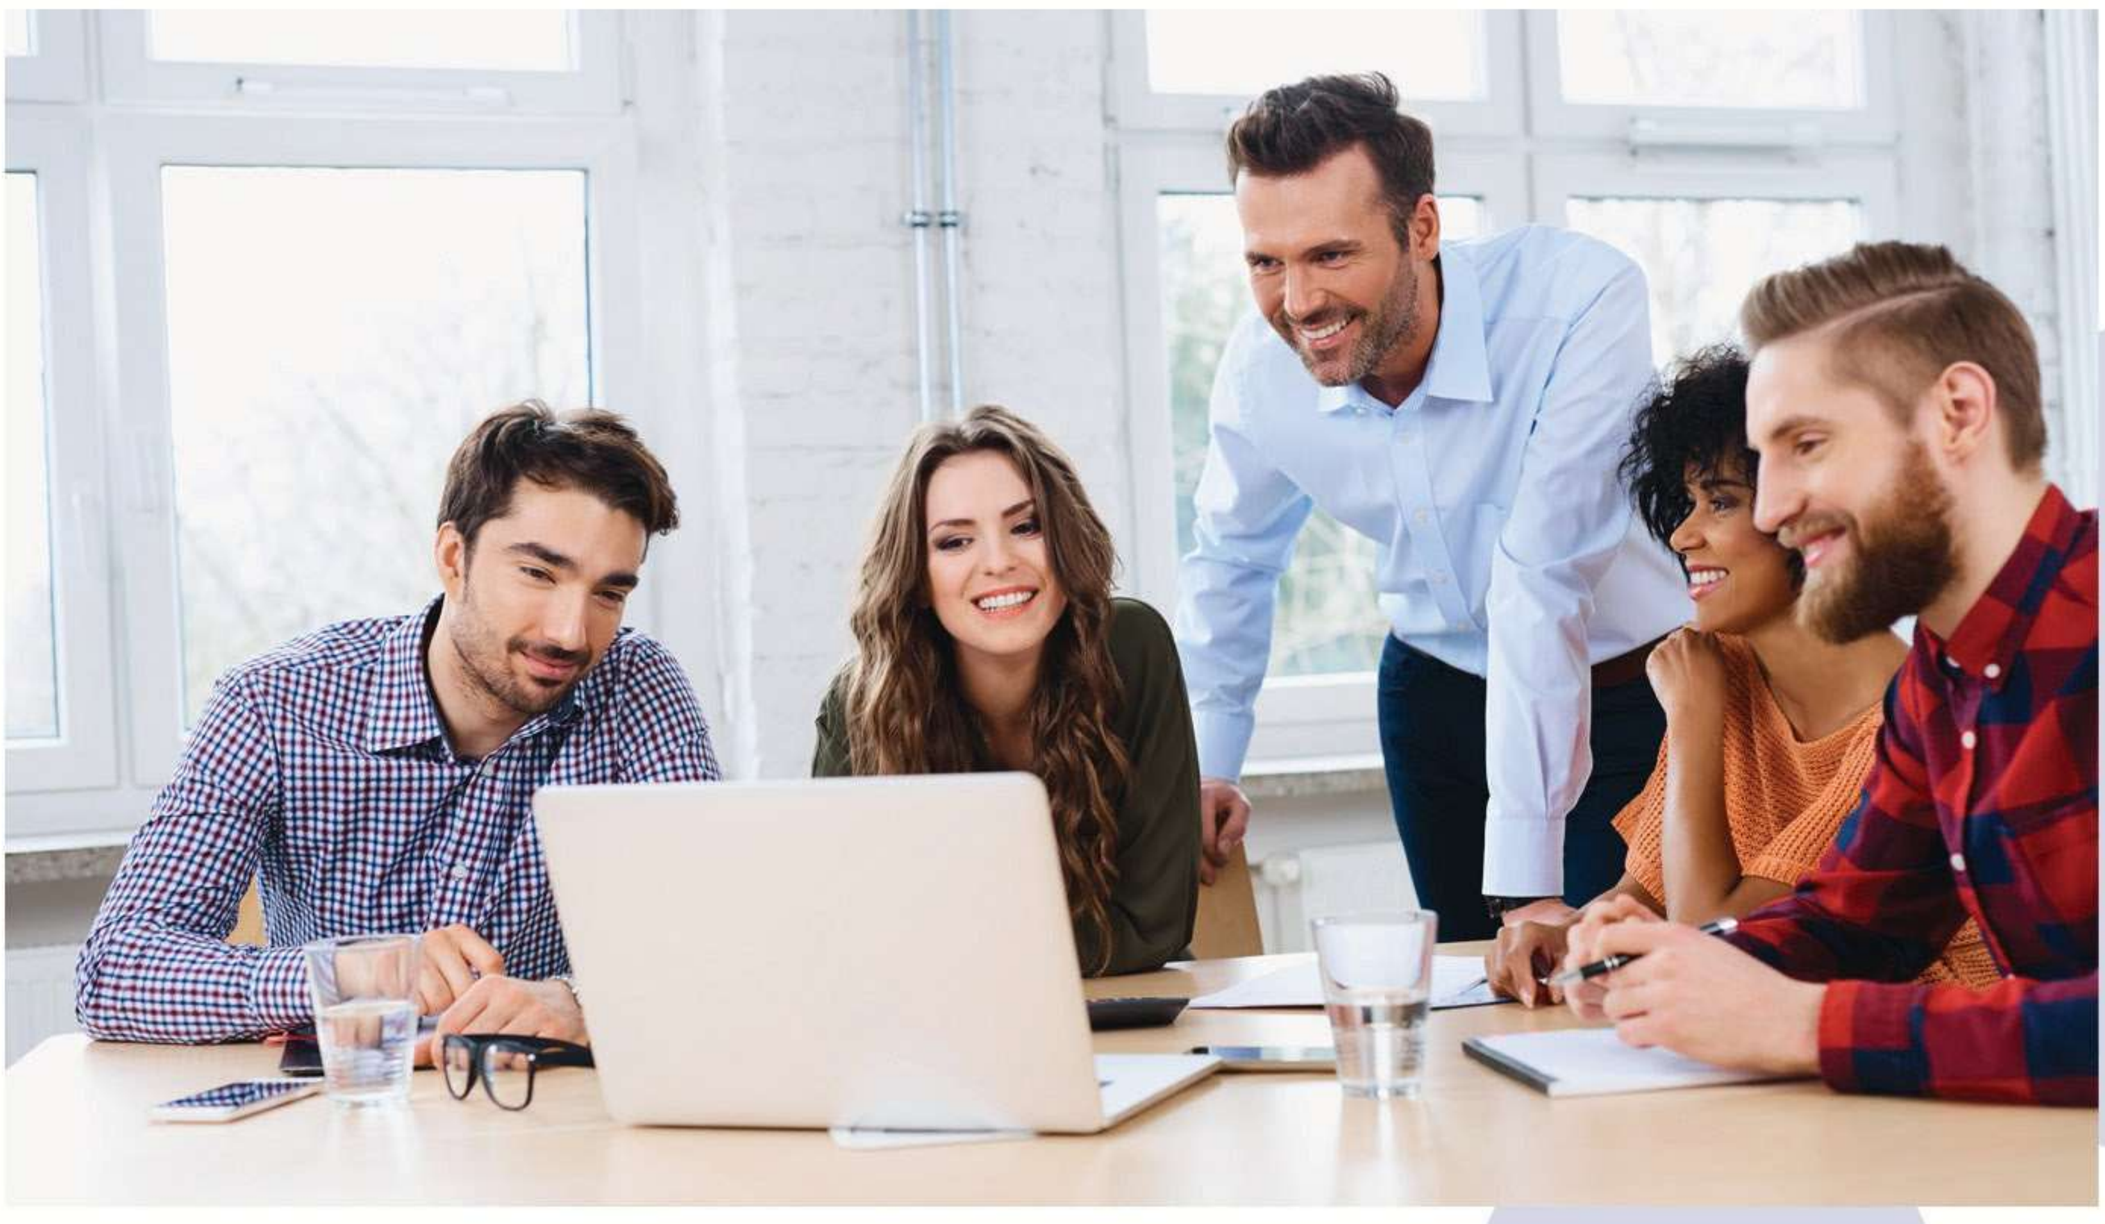

HireOnboard helps you engage selected candidates and stay ahead of competitors with branded, customizable offer letters that can be signed electronically from any device.
