

The electronic I-9 solution

preferred by I-9 legal experts

EMPTrust provides an Electronic Form I-9 solution that is fully electronic to complete Form I-9 information as part of the employee hiring process. Automated workflows allow new hires to complete the form without errors and sign the form. Managers can review information and verify work eligibility with legal documentation presented by the new employee. Employers can print the Form I-9 after verification and store supporting documentation with complete event logs required for ICE Audits.

Step-by-step guidance reduces errors and improves legal compliance with USCIS regulations. Alerts and email notifications provide reminders of upcoming tasks, so you never miss deadlines for Form I-9 receipts or expiring work authorizations. The solution allows users to complete Form I-9 using phones, tablets, and computers through any web browser.
